Welcome to Our 2025 Plush Collection!

At Aurora World Ltd, we remain committed to bringing you the **"Gifts of Smiles."** Our innovative products are crafted from the finest materials, offering the most comprehensive selection of plush toys in the market.

We are proud to share over 30 fabulous Aurora World plush brands, including our hugely successful **Palm Pals** collectables range, which goes from strength to strength. New for this year, we proudly introduce our **Borealis** brand – the pinnacle of plush luxury, combining exceptional feel with unparalleled style. Also debuting are **Spudsters**, a super-soft collectible range, and **Hide Outs**, which promise endless fun and imaginative play.

We also carry a significant licensed portfolio, including **Moomin**, **Molang**, **The Tiger Who Came to Tea**, **Mog**, and **Dr. Seuss**. **Julia Donaldson's** collection sees the addition of **Tiddler** to this long-standing family of literary titles, alongside the likes of **The Gruffalo**, **Stick Man**, and **Zog**. From **Aardman**, we introduce **Norbert** from **Wallace & Gromit: Vengeance Most Fowl**.

Our continued commitment to sourcing traceable, sustainable materials wherever possible for our beautiful plush products, through our **Global Eco-Friendly initiative**, remains as strong as ever. Our products are filled with 100% recycled materials, including plastic pellets and core fibre fillings. Our labels are made using natural and recycled materials, and we continue to reduce our environmental footprint through ongoing changes to our working practices and products.

A shining example of this commitment is our **Eco Nation** range, which is made entirely from recycled and natural materials. Each soft toy features recycled outer fabric and filling, crafted from approximately eight recycled 500ml plastic bottles – a meaningful step towards sustainability.

With over 40 years of experience in the plush industry, as an innovator, creator, and distributor of plush products - manufactured in our wholly-owned, industry-leading facilities in Indonesia and China - we continue to deliver a robust supply chain for our exciting and innovative quality products. Due to our unique business structure, you can buy with absolute confidence.

If you're new to Aurora World, welcome – we're excited to partner with you! To our long-standing customers, thank you for your loyalty and support over the past 40 years. I wish you all a successful 2025 and beyond.

Shroom Wood

Mirror Valley

Once upon a time in the Sparkle Tales Kingdom, nestled within the heart of Shroom Wood, a magical adventure was about to unfold. This enchanted forest was home to the mystical Fungi Friends. Within the Shroom Wood, legends spoke of a magical power hidden within the heart of the kingdom named **"Sparkles"**.

These radiant gems were said to hold the key to unlocking extraordinary abilities and granting unimaginable power to those who could collect them.

Princess Luminara, the ruler of Sparkle Tales Kingdom, had a vision to harness the magic of the **"Sparkles"** to protect her realm. Accompanied by her loyal Fungi Friends, Sparkle Unicorns and Guardian Dragons, they embarked on a quest to collect the **"Sparkles"** scattered throughout the vast Sparkle Tales Kingdom, travelling through the lands and sea's and meeting all her magical sealive, jungle, unicorn and dragon subjects.

What exciting adventures will they have...

eco NATION™

Made from recycled materials

At Aurora, every year we are saving over 700,000,000 plastic bottles globally, contributing to a greener earth by producing all of our plush using eco-friendly materials.

500ml BOTTLES

=

1 ECO NATION
SOFT TOY

Our Eco Nation line contributes to a greener planet by:

- + Using fabric made from recycled plastic bottles.
- + Using fibre fills made from recycled plastic bottles.
- + Removing plastic beans.
- + Embroidering instead of using plastic eyes.
- + Using recycled material for packaging and labels.

BT21

Hailing from Planet BT, Prince TATA dreams to spread love across the galaxy. Deciding that destiny is at hand, TATA summons guardian robot VAN to prepare for an interstellar journey to Earth.

Shortly after arrival, the Prince concludes that the most effective means to win over the hearts of earthlings is to become a super, no... something much more ambitious.
A UNIVERSTAR.

Realizing that a collective effort is crucial, TATA & VAN scout for like-minded hopefuls to share in the dream. Soon they discover 6 - KOYA, RJ, SHOOKY, MANG, CHIMMY and COOKY - to become what will be known as the most influential pop-culture sensation the galaxy has ever witnessed. BT21.
